This is an exploration into free-motion quilting. Are you tired of stitch-in-the-ditch (SID) on your stationary machine? We will explore free-motion quilting and the many designs that are possible. It's easier than you think! By exploring different designs and practicing them in class, you will create designs that can be used to complete any quilt.

Kit Fee: \$20 (cash only please, due in class)

This will include a multi-page handout
and fabric sandwiches needed during class

The HQ Capri stationary longarm machine with InSight Table with built-in stitch regulation will be used in class, one student per machine
