

Quilting with Nancy –T-Shirt Quilt Design Class

Class Supplies List

CLASS INFORMATION	
Class name:	T-Shirt Quilt Design Class
Description:	A T-shirt quilt is a fabulous way to use old t-shirts to make a very strong and sturdy memory quilt. These quilts are great for the family room couch, dorm room, Stadiums and picnics. For this quilt we will base everything on a 2” finished square so you can use pre-cut jelly rolls or scrap strips cut from your stash into 2 ½” strips. This class is for learning how to design your t-shirt quilt – not the construction.
