

Combo Weave Supply List

Michelle Renee Hiatt - Instructor

Welcome to the Combo Weave class, Michelle designed this class as a technique class; therefore, you will learn to master Combination Units utilizing the Studio 180 Design's Tucker Trimmer 1 or 3. This simple technique will have you making perfect Combo in no time and having fun making Michelle's Combo Weave.

Michelle designed this quilt in three (3) sizes, each size using the same number of units, however the block sizes vary; the Small quilt is made with 4" units, the Medium with 5" Finished Units, the Large with 6" Finished units. Independent of the size you choose, you will make the units using the Studio 180 Design's Tucker Trimmer 1 or 3.

Some notes when selecting fabric:

- You can go as scrappy as you want with this quilt.
- Michelle is a firm believer in the more fabric the better, but you get to decide, as it is your quilt.
- Multiple fabric options are provided
