

Color and Quilting 101 – Virtual Show Class

Michelle Renee Hiatt - Instructor

This workshop will arm you with the tools and knowledge to build your own color plans for your blocks, quilts and other projects. Learn how to make the most of your fabric choices to create the effects you are looking for within your quilting projects. Whether you are a traditional quilter or modern quilter, you'll improve your skills and sharpen your eye.

- We will discuss how to identify a fabric's overall color, shading and tone. Learn how to read and use the color wheel. Explore Analogous, Complementary, Split-Complementary and Triadic color plans in fabric! Appreciate colors that just naturally look good together!
- We will dive deep into your stash; figure out how to arrange your fabric, analyze your fabric and how to augment your stash with wise purchases. You will look at your fabrics in a whole new way.
- So, let us explore color in fabrics!
- If you have any questions, please feel free to contact me at michelle.hiatt@sewonthego.net.

FABRIC:

- Have a wide assortment of fabric: scraps, fat eights, or fat quarters, etc. These do not need to be large pieces.
- If possible, pull fabrics that represent most of the colors on a basic color wheel.
- Pull fabrics you love to work with as well as others that have proved to be a challenge to use.
- Note: You will only need small pieces.
- Pull a yard+, of a single fabric, that you love but have no idea how to put it into a quilt. Maybe it was purchased with a Border in mind.
