

Love It And Leaf It

Supply List

©2020 Ellen Lindner

- Unfused fabrics: dark background fabric - 2 pieces, each 8 ½ x 11
- Fused fabrics: dark background fabric - 7 x 9
- Leaf fabrics, 1 or 2 for each color - yellow, yellow-orange, yellow-green, orange, and red. (The sample was made with one fabric for each leaf. However, two fabrics per leaf can be used. This will add variety and will only slow you down a little.) Reference the pattern for sizes.
- Batting, about 10 x 13
- Thread to match all colors, plus black
- One strip of fusible web, 8 x 1 ½. Teflon or silicone sheet for pressing fusibles.
- General sewing supplies, including temporary marking pencils for both light and dark fabrics. The light marking tool should not iron off.
- Paper scissors
- Painters tape or masking tape
- Ruler
- Double-sided tape
- Light box or other easy tracing set up
- 11 x 14 frame with glass and mat board. Most combinations like this have the mat board cut with an 8 x 10 opening. That's fine.
- Your home sewing machine! Stitching can be done with the feed dogs up or down. If sewing with them up, a walking foot is highly recommended.
