DIY Inkjet Printing on Fabric with Photoshop Elements

Supplies

- PC or Mac computer (desktop or laptop)
- Photoshop Elements, version 11 or newer.

Trial Software – Try before you buy

Adobe offers a 30 day trial version of Photoshop Elements for PC & MAC. Go to www.Adobe.com.

Prior to class: have Photoshop Elements loaded on your computer. If you need assistance, have questions, please contact Jennifer before the class: Jennifer.rapacki@gmail.com

Note: if you own Photoshop, please download the latest Photoshop Elements trial version to use in class. The tool locations are in different places and the step-by-step instructions are written for Photoshop Elements.

Also, No Experience is required with either software program. But, students need to have basic computer skills, such as the ability to load software, use a mouse or trackpad, find and open the software, and find files on their computer.
