

Dangerous Curves Workshop

Danger! There are curves ahead! Intimidated by piecing curves? Tried before with less than glorious results? But there is nothing to fear here. Learn, step-by- step, to master curved piecing with three classic blocks. You CAN do it and get GREAT results.

Supply List

Pattern Booklet - \$12

Fabric – Dangerous Curves project – 56” by 22”.

Yellows – 3/8 yard

Greens – 3/8 yard

Magenta – 2/8 yard

Outer Border – 3/8 yard

Background, Sashing and Inner Border – 1-1/4 yard

Outer Border – 3/8 yard

Backing – 1-5/8 yards

Batting – 62” by 28”

Binding – 3/8 yard

Sewing machine in good working order and basic sewing supplies (thread, mat, cutter, pins etc.)

*Small rotary cutter and a rotating mat are VERY helpful if you are using the template pack

¼” foot - required, Curved piecing foot - strongly encouraged

1 sheet Template Plastic, Ultra Fine Sharpie, Scissors for cutting plastic and fabric and Fabric-marking pen if NOT purchasing templates.

OR

Template pack - \$65 – optional (The template set includes all the acrylic templates for making 8” finished blocks for all three blocks, Rob Peter to Pay Paul, Drunkard’s Path and Winding Ways.)

Homework BEFORE class - Heavily starch and press all Yellows, Greens, Magenta and Background fabrics. (I use Faultless Spray Starch.)
