

Adele Scott's Sew Steady / Westalee Sampler Free-motion Ruler Workshop – supply list

This workshop is the perfect new or review for the versatile Westalee Sampler Set. Our workshop will cover basic set-up as needed, trouble-shooting typical problems and how to create many design options with your 6-piece Sampler Set. We'll have additional designs beyond the Janet Collins Book for returning students, so everyone learns new designs. Also, I'll arrange a private zoom &/or e-mail to make sure everyone is up and running before the workshop time in case you'll need something additional. Many tips to ensure you're all quilting like pro's!

Supplies:

- Ruler Foot for your model of machine [Bernina owners – you'll need an adaptor to use the Sew Steady foot [we have these adaptors] or purchase the #72 foot [from your Bernina dealer]

*****If you don't have any rulers or ruler foot yet please call me so we can figure out what type you'd need and to make sure you'll have them in time class.**

- 6-piece *Westalee Sampler* set of rulers
- *Janet Collins Ruler Quilting design book* [it's a CD in some work kits] [recommended]
- “slider” or “glider” sheet to move your fabric more easily
- straight-stitch needle plate [optional but can help - purchase from your machine dealer]
- ** Plexi-glass quilters table, included machine table if it's flat and level to machine arm, or cabinet

**** Tables need to be ordered several weeks ahead, so plan accordingly.**

- 90/14 Topstitch needles [have several available and have a new one in your machine]
- “grippy” fingertips or gloves [optional but helpful]
- *Westalee Crosshair* marking ruler [either 8” or 12” size, 8-Point version]]
- All-purpose polyester thread or 50w cotton – have several colors, types if you have: not too dark
- Fabric markers that will show on your choice of fabric colors and fit in crosshair slots
- At least 6 fat-quarter sandwiches – **solid, med. colors are best for top fabric, so ruler white lines show.**
- **Highly Recommended** - A thick firm cushion to sit on will bring you to a better height [or an adjustable height chair or tall stool] Elbows should be at machine table height or higher!

Prep: 1. Prepare your quilt sandwiches. Use cotton batting and just use steam to press together and you won't need any basting, pins etc.

2. Wind several bobbins.

3. Make sure to clean the lint from your machine.

4. Make sure you have a new 90/14 *topstitch needle* in your machine.

5. If you already own the rulers, please spray *Grippy* or cut little ¼” – ½” pieces of “*Stable Tape*” and place on your ruler back corners.
