

Kit/Class information

Debby Brown Quilts.Com

For this class I will be lecturing, drawing on the screen, and showing pre-recorded video. You can watch and take notes on the class handout.

Make yourself comfortable for class. I can't bring chocolate to class for you, so bring your own and enjoy it during class. Have a beverage and some extra paper on hand. Pre-load fabric on your longarm so you can practice what you learn as soon as class is over.

Note: any pets showing themselves on screen will have to be introduced.
