

# Zentangle Lynx Ink Work Designs

**3-hour class**

**Kit price \$39.00**

**Kit required**

## **Description:**

Do you remember how much fun it was to daydream and Doodle? How relaxing it was? It now has a name “Zentangle” Now you can Doodle on Fabric and include them in your quilts. Unlike the paper we used before, which was soon discarded, you can turn your Doodles on fabric and put them in your quilts to be loved and treasured for years. Create intricate Blocks with a piece of fabric, Pigma Pens and a Fabrico Ink Pen. Blocks can be used for quilts, clothing, pillows, bags and more. This workshop is fun for everyone, and appropriate for all levels. **This pattern uses the Zentangle method of design. Bobbie is a Certified Zentangle Instructor. For design ideas visit <https://www.pinterest.com/BergquistBobbie/zentangle/>. You will find over 12,400 designs to select from**

**Materials List:** Participants should have a black sharpie, in case you need to darken the lines on the pattern, mechanical pencil, blue painters’ tape, straight pins, small thin paint brush, eraser & ruler. Sewing machine not required, Various sizes of Pigma Pens (.005, 01, 02, 03, 05, 08) Instructor will be using black Pigma pens, you may also use other colors. A light box could be helpful but not required. A phone, tablet, or other device to access the information on Pinterest.

## **Student Advance Preparation:**

Participants should use blue painters’ tape and attach templet to smooth flat surface. The sharpie is in case you need to darken the lines on the templet or pattern, pins are used to attach the fabric to the template to prevent moving. Sewing machine not required.

**Kit fee,** \$39.00 includes fabric, pattern, Gray Fabrico Pen, White Opaque ink by Tsukineko (Quilters White Out) and printed directions. Extra Fabrico pens available at \$3.50 each which can be order on the web site, <https://www.quilterst treasure.com/products.php/22/FABRICO-MARKING-PENS> Email Bobbie at [Joe@QuiltersTreasure.com](mailto:Joe@QuiltersTreasure.com) with any questions regarding this class or class supplies

To complete this project, you can use it as a wall hanging, tote bag, pillow, or in a quilt.
