Making a Double Hexi Pouf Class
By Sheridan Art & Designs

Class Description:

What is a pouf? It can be anything you want it to be; a footstool, a pillow, a cushion, a chair - the sky's the limit. Perfect for adults and children, these poufs come in three different sizes to suit your needs, no matter what they may be. In this class you will not only learn to make a pouf but you will also work on skills like fabric selection, strip piecing, Y seams, and creating something three dimensional.
