Quilting your Pet Project

Add movement and texture to your flora or fauna quilt top

This class is for students who have spent some time machine quilting but are afraid to tackle a pictorial project. David has been creating award-winning critter quilts for many years. In this class he'll show you how to blend colors using variegated threads and enhance your applique or pieced project with fluid quilting movements.

STUDENT SUPPLIES NEEDED:

- Thread snips or small scissor
- Small bag for thread ends
- Bring a printed animal or floral panel, sandwiched with quality cotton batting (i.e. Dream Cotton, or Warm & Natural), and black Kona cotton backing.

STUDENT LAB FEE: \$20

Fee includes use of dozens of variegated threads available in the classroom, needles and bobbins.
