

Sewing Machines for this class are provided by Brother and Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are **NOT** permitted to use any machine other than the machines provided by Brother.

The following supply list may state that you need to bring your own sewing machine. **THIS IS NOT CORRECT.** Please do not bring your own sewing machine to this class.

PLEASE CONTINUE TO PAGE 2 FOR THE INSTRUCTOR'S SUPPLY LIST.

Blazing Lemoyne Star

Are you ready to go to the next level with your Lemoyne Star blocks? Join me for a three hour session on how to create a fantastic variation that we call "Blazing Lemoyne Stars".

You'll use your **Rapid Fire® Lemoyne Star** tool and strip piecing techniques to complete a large 16" Blazing Lemoyne Star block.

The process was developed by one of our talented Certified Instructors, Pam Goggans, and has become a standard in many Studio 180 Design patterns, especially in several of our latest Block of the Month designs.

The steps are a bit challenging, but the results are very much worth the effort. You should be well versed in my Rapid Fire® Lemoyne Star construction processes before attending this class. Also, you should feel very confident with rotary cutting and machine piecing in general.

This is not a class for beginners!

In class we will be constructing a 16" finished block. This can be the center piece for a table topper, or the first of many blocks for a future quilt.

Precutting is required, and students should come to class ready to jump right into stitching.

The Rapid Fire® Lemoyne Star tool and Blazing Lemoyne Star Technique Sheet are required for this class.

Purchase all items prior to arrival at class from your local quilt shop or directly from us at: Studio180Design.net

So join me for a great new way to use your Rapid Fire® Lemoyne Star tool. You'll be hooked!

PRECUTTING

Note: wof stands for width of fabric.

Star center points

1 strip 2½" x wof

Star outer points

1 strip 2½" x wof

Center ring

2 strips 2½" x wof

Background

1 strip 6½" x wof

1 strip 5" x wof

Equipment and Supplies

Required Tools:

- **Rapid Fire® Lemoyne Star Tool**
- Blazing Lemoyne Star Technique Sheet
- Invisigrip - to place on the back of your **Rapid Fire® Lemoyne Star tool**
- Sewing Machine - in good working order (unless you are attending a machine sponsored class. Please check with your event coordinator for details)
- Neutral Colored Thread
- Cutting Mat - approximately 12" x 18"
- Rotary Cutter - new blade recommended
- General Purpose Rulers - approximately 6" x 12" and 6" x 24"
- Basic Supplies such as Scissors, Pins, Seam Ripper, etc.
- Ultra Fine Line Sharpie™ Permanent Marker
- Other Marking Tools - mechanical pencil, frixion pen, or fine line marking tool

Optional:

- Additional light source
- Chair pad or cushion
- Extension cord
- Camera
- Notebook & pen
- Treats for the Teacher - who wants an "A"?
