

Sit Down Longarm Machines for this class are provided by Pfaff and Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are **NOT** permitted to use any machine other than the machines provided by BERNINA.

The following supply list may state that you need to bring your own sewing machine. **THIS IS NOT CORRECT.** Please do not bring your own sewing machine to this class.

PFAFF
Perfection starts here.™

PLEASE CONTINUE TO PAGE 2 FOR THE INSTRUCTOR'S SUPPLY LIST.

Matrix – Full Day Workshop

Description: Something within or from which something else originates develops, or takes form. Striking, modern, graphic, let's take the tumbling block to the edge of possibilities. A geometric pieced hexagon block that stitches like a dream using Butterfly Seam technique. Huge 15" x 17" pieced hexagon. It's fast, its quick using the Polygon2 Tool and Butterfly Seam. Final quilt size is your choice.

Fabric Requirements:

- (35) 3" x WOF, assorted fabric
- (6) 5½" x WOF, background (one or assorted)
- 1 yard for edging, border and binding

Special tools: Gyleen's Polygon2 (\$20);

Instructions: Pattern (\$10)

General supplies:

Sewing machine with manual (are machines provided?); ¼" foot without edge guide (if possible); (2) thread colors, one for the top and another in the bobbin and that is visible on the wrong side of fabric; seam ripper; thread snips; rotary cutter, ruler and mat; extension cord (if needed); straight pins; finger pressing tool; and batting to use as a design wall (optional).

Gyleen's thoughts: This design class can go anywhere you want to go. I used every color in my solids box with multiple solid "whites". I can see this 3D design stitched with blendables, batik, small prints, grunge for sure, and plaids (why not). Fun, fun, fun.
