

Hawaiian Applique Pillow

20in. x 20in.

Supply List:

1. 1- 22in. square applique design fabric
 2. 1- 22in. square background fabric (applique design and background fabrics should be non-directional and have contrast between them).
 3. Applique thread to match the applique design fabric. Applique thread should be 50-80wt. cotton or poly.
 4. Size 9-11 appliqu  hand sewing needles. Depending on the brand these are called, straw needles or milliner needles. Applique needles tend to be thin and longer.
 5. Sharp medium length fabric scissors. Blades should be 5-7in. long. Great choice is Karen Kay Buckley Medium scissors.
 6. Paper scissors
 7. Chalk pencil to show on applique fabric
 8. Basic hand sewing notions - Needle threader, small scissors...
- Batik Fabric kits will be available before and during class
 - All hand sewing notions will be available for sale before and during class
