Foundation Paper Piecing with Violet Craft

Workshop Overview

Foundation paper piecing is a great project for any sewist from beginner to advanced. There is always something new to learn! We will begin our time discussing general information about foundation paper piecing, best practices and tools.

Then we will begin our project together and work step by step through foundation paper piecing. More advanced students are encouraged to move forward while I work with students requiring more hands on instruction. If time allows advanced techniques will be covered with students who are ready for them. Throughout the class period I will stop the group and demonstrate as questions arise.

Before the end of our time together we will cover paper removal, finishing and quilting.

Supply List

pattern & templates	Violet Craft Foundation Paper Piecing Pattern and precopied templates	required
fabric	Fabric requirements are listed on the back of each individual pattern.	required
fabric & paper scissors	Most prefer separate scissors for paper and fabric cutting.	required
rotary cutter	I use a 45 mm rotary cutter. Should be larger than 20mm.	required
personal cutting mat	I use a 14" spinning mat. You will need at least a 12" square mat.	required
quilting ruler	I use 12" Add-A-Quarter Plus ruler. Small ruler with 1/4" lines will work.	required
seam ripper	This is a necessary part of foundation paper piecing. Trust me :)	required
thread	I prefer Wonderfil DecoBob 2-ply Cottonized Polyester 80 wt or similar	I will bring samples to share.
seam roller	I use my Violet Craft seam roller and no iron.	I will bring samples to share.
tape	Duck Brand Double-sided, easy-stick tape	optional
sewing machine	An open toe foot is nice. Standard foot is fine. No 1/4" guides.	required
