

Sewing Machines for this class are provided by Brother and Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are **NOT** permitted to use any machine other than the machines provided by Brother.

The following supply list may state that you need to bring your own sewing machine. **THIS IS NOT CORRECT.** Please do not bring your own sewing machine to this class.

**PLEASE CONTINUE TO PAGE 2 FOR THE INSTRUCTOR'S SUPPLY LIST.**

# Triangle Pizazz

Get the most out of your Tucker Trimmer® tool by learning how to create our Triangle Pizazz units. These playful units are built with easy steps and slight oversizing to allow for trimming to high precision shapes, and **no triangle cutting required!!!**

We'll be constructing several pinwheel blocks using the shapes and exploring a variety of design options for future use. During the class you will make a number of units and several 10" finished blocks. The precutting list contains the number and sizes of shapes needed to produce *each* pinwheel block.

Three blocks can create a table runner, 5 blocks a wall quilt, 8 blocks a crib/child size quilt or 18 blocks a throw quilt.

Please cut enough pieces to make at least 3 blocks. This will give you an opportunity to practice the processes during class and then decide how many more you might like to construct.

**The Tucker Trimmer® I tool and the Triangle Pizazz Technique Sheet are required for the class.** The Quilter's Magic Wand™ is highly recommended.
