

Please bring to class:

- Your chosen pattern - it can be any one of my designs. I will provide a simple block design for you to work on in class and an applique design if you don't want to choose a project.
- A variety of small cuts of fabric- remember to include some florals, geometrics, spots, stripes etc. scraps, fat 1/16ths and eighths work well (and more is always better 😊😊)
- A fat 1/4 as a background for appliqué
- Thick template plastic
- Ultra fine permanent marker
- Scissors for cutting plastic
- Fabric scissors
- Straw or milliners needles size 11
- Neutral colour 50 wt cotton thread to blend with fabrics for piecing e.g. grey
- 50wt or 80wt thread for appliqué in a variety of colours
- General sewing requirements e.g. pins, ruler etc.
- 0.7mm Mechanical pencil (propelling pencil) with 2B or 2 lead (USA)
- 1/4" simple seam wheel (optional)
- Sandpaper board or sheet of medium grade sandpaper (from hardware store) or available [here](#).

For hand quilting (optional) -

- 18 inch (approx.) quilt sandwich. I.e. 2 fat quarters and a piece of batting cut to this size. Solid fabrics work well as it's easy to visualise your stitches. Make sure the batting is recommended for hand quilting e.g. Quilters Dream Cotton Request
- Chenille needles size 24
- Perle thread 8wt or Aurifil 12 wt
- Hoop optional (I don't use one)
