

Painting With Wool
Class Taught by Jennefer Marker
(with Compass Moon Creations)

Description:

Put down your paintbrush and pick up your felting needles. Join Jennefer Marker, owner of Compass Moon Creations, in making a landscape painting made entirely of wool using needle felting techniques. Easy enough for a beginner but enjoyable for an experienced felter as well. Students will learn techniques to make their painting pop and come together for a lovely work of art, ready to hang. This is a valuable tool in art quilt making, that adds dimension and uniqueness to your project.

Supply List:

A printed 'inspiration image' of the landscape that you want to create.

Kit Fee:

\$40

Kit Contents:

Wool

Felting Foam

Felting Needles

Accessories to complete project

Various handouts on the many topics that we will be doing and discussing
