

Sewing Machines for this class are provided by Juki and Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are **NOT** permitted to use any machine other than the machines provided by Juki.

The following supply list may state that you need to bring your own sewing machine. **THIS IS NOT CORRECT.** Please do not bring your own sewing machine to this class.

**PLEASE CONTINUE TO PAGE 2 FOR THE INSTRUCTOR'S SUPPLY LIST.**

## **Aurifilosophy Thread Matters with Annie Smith**

In this workshop, Annie will give you a brief slideshow lecture and treat you to the origins of the Aurifil company. You will see how thread is made - featuring the different thread weights that make Aurifil threads so appealing.

Then, you'll experience the Aurifil thread weights yourself, learning which needle size is right for each weight. This workshop is unlike any that you've taken in the past. Annie will take you through stitching with each thread weight.

She will also share a trunk show of her quilts that have all been made using Aurifil threads.

We'll create a sample stitched piece that you can turn into a zipper bag, mug rug, or you can cut it into weight sections and add it to a resource binder for future use. I'll have samples of the projects in class. Your kit will have all of the threads, needles, fabric and stabilizer for stitching that you'll need.

Each student will receive a swag bag filled with Aurifil and Schmetz items

The kit of threads, notions, fabrics is \$55, which will be collected in class, by cash or card.

The sewing machines will be supplied in class, along with any feet and bobbins.

### **Supply List -- You will need:**

- Scissors (small scissors -- not threadsnips, not large shears)
- Pencil or pen for notetaking
- Paper for note taking
- A permanent pen (like an extra fine tip Sharpie or a Micron Pigma pen)
