Sarah Fielke Courting Material Requirements

Hi everyone! I'm looking forward to seeing you in class.

There is a kit fee of \$30, please bring it to class in cash. The kit contains the pattern booklet, add-a-quarter ruler, card for FPP and a set of pre-printed foundation papers for the heart blocks.

Material Requirements

This list is the material requirements making one block of the quilt only. If you are wanting to buy all your fabric for the quilt in one go, please email me for a full list of requirements for your desired quilt size - however you will not need to bring all of these to class.

The pattern provides block and quilt sizes for King, Queen, Single, Throw and Cot sized quilts. All fabric requirements listed below are by width of fabric. Please note that several of the outer strips on the blocks are LARGER than a fat quarter - you will be able to use a FQ for the smaller centre strips but not the outer ones, unless you join them. Please take this into account when you choose or purchase your fabrics, you will have a lot more flexibility as to where different fabrics are placed in the blocks if you use yardage instead of precuts.

Supply List:

* 4" of red fabric and 4" of white fabric for heart blocks (or whichever two colours you choose!)

* 2 1/2" strips x WOF. For bed sizes:

king	7 pink and 7 white
queen	5 pink and 5 white
single	5 pink and 5 white
throw	4 pink and 4 white
cot	3 pink and 3 white

If you are making a King, Queen or Single sized quilt, the final rounds of the block will need TWO 2 1/2" strips instead of one in order to cut enough pieces.

* Spare needle for your sewing machine - this is important!

* Pins, Neutral cotton thread for sewing machine

* I recommend you bring your own rotary, ruler and small mat to this class as there is a lot of trimming.

If you have any questions or concerns prior to class, feel free to email me at sarah@sarahfielke.com.
