# “Flying into Colours”

## 2 day workshop with Helen Godden

### Requirements

- **Black cotton (don't prewash) , thin batting and backing; 22" x 32"** of each. I encourage a plain solid colour for the backing fabric, as students will stitch with black thread top and bobbin, so the design is "drawn" on the back too.
- **Black basic cotton or poly cotton thread**
- **Sticky tape** to join together the pages of design
- **Masking tape** to stick design and fabric to a window to trace
- **12 X Safety pins** for sandwiching
- **Plastic container** to wash brush.
- **Paper kitchen towel** (half a roll is plenty)
- **Old cutting mat** to use as a painting surface on the table or plastic cover for table.
- **Light box for tracing is optional but there are loads of windows at the venue.**
