Please do not bring your own Machine to this class.

Follow the Rule(r)s!

Sometimes a simple design is all you need for a clean finish to a cozy quilt!

Do curves and circles when you free-motion quilt look like ridged potato chips with a few bites missing? Do you have trouble quilting along your pre-marked lines? Rulers can help you stay on track! Rulers are not just for movable machines. Come spend time sitting at the HandiQuilter Amara and receive hands-on guidance from David learning a variety of quilting designs you can easily stitch with acrylic rulers.

Each student will be working solo on an Amara stationery machine by HandiQuilter.
