Floral Painted Appliqué on Silk

3-Day Painting Workshop

This is a **great** opportunity to try a fabric painting technique without making a large investment in brushes, textile paints, silk, etc. on your own!

Description of Class: Floral Painted Applique' on Silk-Begonia Swirl

I am inspired by the natural world. Won't you join me in my paint box to learn my technique for painting realistic floral imagery onto silk. You will be making a beautiful peachy pink Begonia that I call "Begonia Swirl". To make it easy, most of materials you will need will be provided in the Mandatory Kit. The kit cost is \$115.00. In addition to painting your beautiful flower, I will also demonstrate how I create my highly textural confetti backgrounds and my technique for turning the edges of the finished applique' for a clean finish.
