

ROAD2CA

PLEASE REVEIW BEFORE PROCEEDING

Sewing Machines for this class are provided by Janome & Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are NOT permitted to use any machine other than the machines provided by Janome.

Please do not bring your own Sewing Machine to this class.

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2ca.com for more information.

Sarah Fielke

32 is a Bushel Material Requirements

Hi everyone! I'm looking forward to seeing you in class. Learn to make improv apples and a basket to put them in! No rules, no measurements - just relax, have fun and play!

There is a pattern fee of \$15, please bring it to class in cash.

Material Requirements

This list is the material requirements for the whole quilt, which finishes at approximately 58" x 75". Your quilt will not end up exactly the same size as Sarah's due to its improvisational nature. We will get quite a few apples made in class and also start the basket.

Supply List:

- * Scraps of assorted red or green (depending on your apple variety!) print squares to total about 3/4yd (apples). You will need squares of fabric up to about 5in, smallest being about 3". The squares do NOT need to be accurate or uniform.
 - * Scraps of assorted green print fabrics or yardage to total about 3/8yd (leaves), neutral cotton thread for Sewing Machine
 - * Assorted black or grey on white print fabrics to total about 2 3/4yd (backgrounds). I worked with 30cm (3/8yd) cuts of 10 different fabrics; this was more than is required for this project, but I found it helpful to have options. Don't underestimate how much background you will need for this class - you may not need all 3 yards but you will need a generous amount of fabric, as improv takes quite a lot more than you would expect.
 - * 5/8yd brown print fabric (basket)
 - * I recommend you bring your own rotary, ruler and small mat to this class as there is a lot of trimming.
 - * All students must OWN their own copy of the pattern for class.
- Before class I recommend you cut your apple fabrics into rough squares as listed above. You will not need to cut any other fabric.

If you have any questions or concerns prior to class, feel free to email me at sarah@sarahfielke.com.
