ROAD2CA

PLEASE REVEIW BEFORE PROCEEDING

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2ca.com for more information.

A Paradise of Birds - Requirements

Pattern
The hard copy ($25) and PDF ($25) pattern are available from my website at
www.focusonquilts.com.au

Background fabric
Background fabric for each block is cut at
12 inches x 12 inches.
I used an assortment of background fabrics (photo above).

Birds, Flowers, Circles and Stems
I used an assortment of fabrics (see photo) – fat quarters are good.

Squares
A PDF is included with the pattern. Cut out squares and bring to the class.
I used one green fabric for all my ¼ inch stems.

Glue
Roxanne's glue. I like the small bottles as they have a small spout which is easy to unplug if any glue gets stuck in it.

Clover Bias Maker
¼ inch Clover bias Tape Maker and a metal pin (**not** with a plastic head as it will melt when pressing on it.

Needles
I use Jeana Kimball No. 10 straw needles but bring whatever needles you are comfortable with.
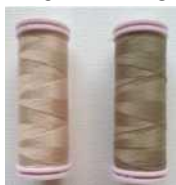

Circles
Karen Kay Buckley Circles

Thread
Good cotton thread – Wonderfil or Aurifil.
I use Wonderfil Efina 60W in two colours

EF02   EF15

Fabric Markers
Frixion pens are great as they disappear with heat. I usually use the black pens. These are the two that I use. The retractable pens have a fine point. Frixion pens are available are office supply stores (Officeworks) and some quilt shops.
You can also bring any fabric marker that you are comfortable with using.

Spray Starch
Best Press – available at most quilt shops.

Washaway paper
Polyfuse – if it is available
Hugs & Kisses Applique Paper

LIGHTBOX
This is essential for the class.

Rotary Cutter, Ruler and Mat

All the other sewing notions that you would normally bring to a class.

For the class choose a couple of blocks to work on and bring all requirements (listed in pattern) to class.
