Mastering Free-Motion Designs for Art Quilts

Not a class for beginners.

Are you ready for more? For quilters who want to break out of the rut of repetitive quilting designs, David will introduce you to the freedom of self-guided stitching for your art quilts. Learn to master your machine so you can confidently put your quilting on full display. Rhythm, regulation, and relaxation are the key to your goals. This is not a class for beginners. Bring plenty of practice sandwiches, your favorite thread, and, if the spirit is willing, a current art quilt project. It's time to start putting your skills to good use! All students will have solo use of their own HandiQuilter Amara stationery quilting machine.

STUDENT SUPPLIES NEEDED:

- Thread snips or small scissor
- Paper and pencil for note-taking
- Smartphone camera/video permitted
- Several fabric (washed, please) and batting sandwiches (fat-quarter size are perfect.)
- Your favorite thread

SPECIAL THANKS:

Machines, thread and needles provided by HandiQuilter.
