### Fabric

Select a clean ziplock gallon plastic bag and fill it with scraps. Please include a large assortment of colors, values, and prints. All fabric should be quilter's cotton—no flannel or silk or other types of thicker or thinner fabric. Scraps should be approximately the size of a fat eighth or fat quarter—some smaller pieces are okay too. Ideally you fill the bag without thinking about it too much. This fabric needs to be truly scraps! You should like the fabric, but you should not be precious about it.

### Supply List

- Book—Improv Patchwork—Dynamic Quilts made with Line & Shape by Maria Shell <<https://talesofastitcher.com/improv-patchwork-dynamic-quilts-made-with-line-shape/>>
- Sewing machine with a straight stitch and a quarter-inch foot and/or the ability to create a quarter inch seam. (A quarter-inch foot with a flange will NOT work for sewing curves.)
- Rotary Cutter with a sharp new blade—Olfa 60MM Straight Handle Rotary Cutter (RTY-3/G) is my favorite. <<https://olfa.com/craft/product/60mm-straight-handle-rotary-cutter-rt-3-g/>>
- Basic long favorite rotary ruler— My favorite is the Omnigrid 4" x 14" < <http://omnigrid.com/quilting-sewing-supplies/rulers/omnigrid-standard-rulers/r14/>>
- Rotary Mat
- Basic quilting supplies including straight pins, seam ripper, neutral thread, scissors, and snips
- Measuring tape
- Small sticky note pad
- Paper and/or notebook and/or draft paper for making notes, sketches, and drawings about your quilt.

- Digital camera or cell phone with the ability to take pictures
- Stiletto or Awl
- Small bag for trash/fabric scraps
- Painters tape (for taping your design wall up if you need to do so)
