Learn and master the technique of foundation paper piecing (FPP) while making gorgeous hexagon quilt blocks. This class is best suited for open minded quilters who are ready to add a new technique to their tool belt. No previous experience with FPP is needed. We will also explore design possibilities and I'll show you a trick to make Y seams easy.

Materials:

- One pattern: Striped Hexi's, Equilateral Gone Awry, or Nuts About You
- Foundation papers are included in the patterns
- 3 - 5 fabrics: $\frac{1}{4}$ to $\frac{1}{2}$ yd of each. Scraps also work well for this project. Fabrics that don't have a right side, like solids and batiks, are easier to learn FPP with but I will show you how to use prints too.
- Neutral or coordinating thread

Available Supplies:
