SOUL SEARCHING
72" X 85"

Skill Level: Beginner – advanced
Pattern – PDF version supplied

Note: Select 2-3 colour groups for a two day class and neutrals

2 ½" x (24) color strips and 2 ½" (24) neutrals for each block

Note: Strips are 2 ½", 4 ½", 6 ½", 8 ½", 10 ½", 12 ½". Scraps are ok but please don't cut to size before class as positioning strips in the class is important.

Consider exploring your stash in color groups that generally are:

red, blue, yellow, green, purple, orange, pastel, greys, browns

When selecting fabrics look for:

Light, medium, dark versions of each color

Different size motifs...find some that have other colors as well

Large, medium and small scale prints

Graphic prints like spots, stripes and plaids

Neutrals can have other colors introduced

Cutting Mat, cutting ruler and rotary

Sewing Machine

Design wall space at least 24 ½" square for making the blocks

This class is most enjoyed if there are options that make the block interesting. We often share extra fabrics in a pile which helps add interest to each project. The end result is that you learn about you...your habits and gaps in your stash!

Optional Soul Searching Color packs are available on the Material Obsession website. They are designed to add sparks of color to each group.
