

PLEASE REVIEW BEFORE PROCEEDING

Sewing Machines for this class are provided by Juki & Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are NOT permitted to use any machine other than the machines provided by Juki.

Please do not bring your own Sewing Machine to this class.

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2ca.com for more information.

Under the Mistletoe

1. sewing machine with all its parts, extension cord and power strip
2. iron and pressing pad (community pressing stations are great)
3. rotary cutting mat, ruler and cutter
4. fabric and paper scissors
5. pencil and paper for notes
6. thread and bobbins
7. pins
8. add a quarter ruler, if available
9. pressing tool for seams, if available
10. freezer paper for templates
11. seam ripper (just in case!)

Fabric suggestions: fat quarters or fat eighths are great, pre-cutting strips is NOT recommended. Pre-pressing and rolling or laying the fabrics flat will save class time. One yard of background fabric will be plenty to work with, no need to bring all of it.

Paper copies of foundation pieces will be provided by the instructor for the workshop.
