

PLEASE REVIEW BEFORE PROCEEDING

Sewing Machines for this class are provided by Juki & Moore's Sewing Center.

Due to safety concerns and contractual obligations, you are NOT permitted to use any machine other than the machines provided by Juki.

Please do not bring your own Sewing Machine to this class.

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2ca.com for more information.

Twirling All Day Supply List

1. sewing machine with all its parts, extension cord and power strip
2. iron and pressing pad (community pressing stations are great)
3. rotary cutting mat, ruler (12" at least) and cutter
4. pencil and paper for notes
5. thread and bobbins
6. pins and extra machine needles
7. lightweight fusible
8. freezer paper
9. seam ripper (just in case!)

Fabric suggestions: layer cakes (10" squares) and fat quarters are perfect for these blocks, scraps for fusible, 2 yards for borders. Templates for blocks and applique will be included in the pattern. Pattern purchase required.

Acrylic templates are not required but will be available for purchase.

We will learn each of the steps and practice each technique. We will not finish the whole quilt in class but we will make lots of blocks and practice the border technique.
