

PLEASE REVIEW BEFORE PROCEEDING

Sewing Machines for this class are provided by Viking & OC Sewing & Vacuum.

Due to safety concerns and contractual obligations, you are NOT permitted to use any machine other than the machines provided by OC Sewing & Vacuum.

Please do not bring your own Sewing Machine to this class.

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2ca.com for more information.

Improv Puzzle – Supply List

Create Improv Log Cabin blocks in a variety of sizes and put them together into a unique composition--like a jigsaw puzzle. We will discuss color choices and using simple design principles to create an original dynamic composition.

Bring fabrics in colors that you like together—for example warm colors like red, orange, yellow or cool colors such as blue, green, purple. Or you can use an “anything goes” color recipe. You don’t need a lot of any one fabric---variety is important. Be sure to include different values of your colors—light, mediums and darks—and consider adding a few fabrics in a contrasting color or value to add an accent. Consider including black and white too.

You can bring all solids or a combination of prints and solids.

- 8-12 fat quarters in a variety of colors and values (black and white are additional). You may bring scraps too.
- Sewing machine in good working order with a ¼” foot
- Rotary cutter and mat – I like the 60mm rotary cutter, but bring whatever size you like best, with a new blade
- Rulers if you like to use them
- Basic quilting supplies including straight pins, seam ripper, neutral thread, scissors and/or snips for cutting threads, measuring tape
- Batting or flannel to use as a “design wall”
- Notebook and pen for taking notes
- Digital camera or phone to take photos of design options (optional)
- *Adventures in Improv Quilts* by Cindy Grisdela – optional but helpful
