Supply List

Thank you for attending my Patchwork Sashiko Clothing Embellishment Workshop! Please do not hesitate to contact me at diana@banjoflannel.com if you have any questions.

- * **My book "Patchwork Sashiko: Transform Your Scraps"** from C&T Publishing: This is available by [clicking here](#) for a print copy or [clicking here](#) for a digital download eBook. I will direct you to pages in the book for reference during class. Please bring with you.
- **Top/blazer/skirt:** A garment that can open fully in the front or where the inside has a wide opening will be easier to access while hand-stitching. I also recommend one that is made of lighter fabrics; woven or large knit (no fine knits)
- **Fabric scraps:** Bring enough to at least cover the area of a fat quarter (18" x 22"). These will be used for practice and applied to your garment, so choose according to your personal aesthetic. At least 6 different colors/patterns.
- **Minimum 5" x 7" piece of muslin** or other lightweight cotton fabric: We will practice hand-stitching with this before applying it to your garment.
- **11" x 14" flexible plastic kitchen cutting mat**
- * **Size 2 Crewel Needle**
- **White crochet thread:** Weight 10, 100% mercerized cotton, 3-ply. I recommend bringing at least 30 yards. The brand I use is Aunt Lydia's.
- * **(3) silicone needle pullers** to fit on your thumb, pointer finger and middle finger. These are not the same as rubber thimbles.
- **Fabric Scissors:** For cutting the scraps into different shapes and sizes.
- * **Long straight pins** with a ball end
- * **Fabric marking pen or pencil:** One for light fabrics and one for dark fabrics.
- **Clear Quilter's ruler** approximately 9-12" in length and 2-3" wide.

Optional Supplies:

- * **Clover Embroidery Needle Threader:** This item is uniquely designed to help thread needles with thicker thread.
