- Basic quilting supplies including straight pins, seam ripper, neutral thread, scissors and/or snips for cutting threads, measuring tape
- Batting to design and transport your quilt
- Paper and/or notebook for making notes, sketches, and drawings about your quilt.
- Digital camera or phone with the ability to take pictures
- Blue painter's tape to define your quilt size
- Optional but helpful – *Artful Improv* by Cindy Grisdela

Fabric:

You don't need to buy fabric especially for this class unless you want to. Choose a group of fabrics that you like together, remembering that it's important to have a range of values from light to medium to dark so you will have contrast in your work. In general, 8-12 fat quarters will be fine to get started on the project.

You can decide if you prefer more warm colors (red, orange, pink and yellow) or more cool colors (blue, green, purple), but it usually works best if you have some of both, as well as some neutrals—brown, gray, black and white. Think about what sort of mood you'd like to see in your quilt.

Part of the fun is making do with what you have. It's fine to bring solids, prints or a combination. Scraps are fine for some of the techniques, like Improv Log Cabin, but you will need some larger pieces for the Curved Stripes and for negative space—2-3 1/2 yards should be fine.
