

PLEASE REVIEW BEFORE PROCEEDING

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2ca.com for more information.

Supply List:

- Fabrics to bring: You will receive a pattern. You will be able to use the colors I used, or choose your own colors. Ensure you bring lots of fabric scraps in many values, from lightest light to darkest darks. Fabric scraps can be any sizes from small, palm size pieces to quarter yards, fat quarters, or fat eights (9" x 22)

Note: These patterns do NOT need a background for class.

- If using the Insulation Board, optionally bring a piece of "InsulBright" Insulated Lining, the size of your board, for board protection (optional)
