

PLEASE REVIEW BEFORE PROCEEDING

Sewing Machines for this class are provided by Viking & OC Sewing & Vacuum.

Due to safety concerns and contractual obligations, you are NOT permitted to use any machine other than the machines provided by OC Sewing & Vacuum.

Please do not bring your own Sewing Machine to this class.

Teacher supply lists are generic - they include items that we either provide or are not permitted. Please do not bring individual irons, craft irons or any other type of iron to class. Please review the class info page on www.road2ca.com for more information.

Fabulous Freehand Curves Supply List

Cut large scale curves freehand without templates or patterns. Add dots, skinny lines, wonky triangles and more to give each curve its own personality, then combine them into a fun original design. We'll talk about color and design to create the composition as well as the techniques needed.

- 8-12 fat quarters (18"x 22") or equivalent in colors you like together. Remember to include a variety of values—lights, mediums, and darks - you will cut these into 15" squares, which can be done before class if you wish.
- Sewing machine in good working order with a 1/4" foot
- Rotary cutter – I like the 60mm rotary cutter, but bring whatever size you like best, with a new blade
- Large cutting mat—at least 18" x 24"
- Rulers if you like to use them—15 1/2" square is helpful to cut squares
- Basic quilting supplies including straight pins, seam ripper, neutral thread, scissors and/or snips for cutting threads
- Batting or flannel to use as a "design wall"
- Notebook and pen or pencil to take notes
- Digital camera or phone to take photos of design options (optional)
- Optional but helpful—*Freehand Curve Quilts* by Cindy Grisdela
