If You Like Piña Coladas: A Masterclass in Needle Turn Appliqué with Barbie Mitchell

Requirements List

Background for the Text Block - bring at least a half yard piece (maybe two different ones so you have options.

Other background pieces for the other blocks - just some to start whilst in the workshop.

Appliqué Fabrics: Students should raid their scrap bins and bring a variety of fabrics for their appliqué shapes. This is the opportunity to play with colour and pattern, mixing solids, geometrics, and prints. The key is to ensure that appliqué fabrics have a clear and distinct contrast against their background fabrics so their designs really pop. Students should also make sure that some of the fabric pieces are at least 6 inches to allow room for cutting shapes. Note: Bring fabrics for your choices and a little imagination —this is a day for getting started, not finishing the whole quilt, but you'll go home with plenty accomplished.

- Medium sized sharp scissors
- Needles - Milliner / Straw size 10
- At least one 80wt thread that matches your project or a neutral color - Aurifil 80wt thread is Barbie's preferred
- Roxannes Glue Baste It or small Applique Pins
- Sewline trio pencil or a mechanical pencil that will show up on your applique fabric
