Opal Essence Mini EPP

Supply List

This supply list is based on a finished quilt top suitable for a cushion cover or mini quilt. Size is 19" x 20"

This project can be made from a selection of scrap fabrics or a curated palette. When working with scraps there may be more wastage due to the cutting method.

The 3D tumbling block effect relies on the careful selection of light, medium and dark value fabrics. This is easiest with solids or prints that read as solid fabrics.
