

Hello Workshop Participants!

We are going to be making the Paganoonoo Ellie T-shirt. What you will need:

A) One unisex t-shirt that fits your bust, shoulders, and arms perfectly. This is key to making the garment fit. We will make *no* adjustments above the armhole. It is a good idea to *bring a second t-shirt* just in case.

- NOT a problem if the hips are too tight.
- Pick a color that looks great on you!

B) For the back panel section there are 4 choices.

My suggestion is to bring at least 2 of the following choices. Choose colors that are complimentary (similar) to the t-shirt or opposite on the color wheel (green/red, purple/orange, etc.)

1. A **dress shirt** in a similar or larger size than the t-shirt. Preferably no or low iron type
2. A **flared knit skirt**, gored is fine. Must be long enough to cover the t-shirt from underarm to hem. No open weave knits. Ideally is a similar weight to the t-shirt. Can try a woven skirt if desired.
3. **Another t-shirt** of the *same weight fabric* that is a larger size than the base t-shirt.
4. **Stash fabric**, same basic rules as above plus must be twice as wide as the back of the t-shirt.

C) Basic workshop sewing kit:

- Machine
- Thread and needles
- Scissors (sharp)
- Seam ripper
- Temporary marker
- Ruler
- Pins
- Iron (we will need a couple of ironing boards in the room)

D) Optional: Dress form (bring if you have one). Doesn't need to be a match for your figure. I may ask you to share with others in the group. I will have a pinnable version for the class demo.

E) Optional: Embellishment bits. Bring them all or just a few: a handful of buttons, a few bits of scrap fabric, leather, felted wool, beads, embroidery floss, fabric paint and stamps, etc.

I will bring the printed instructions, some t-shirt kits, and bits for embellishment + love of teaching! I look forward to meeting you
Michelle Paganini, www.paganoonoo.com

P.S. Promise to make some "mistakes". I still do on every single garment.
