

Hexie Daisy™ by Cheryl See

Supply List for Workshop – Full Kit

We will be making one Hexie Daisy™ Flower block in one color. This will teach you the basic techniques of watercolor, applique with Paper Pieces, and stuff work. You can use your block for the front of a purse, notebook, potholder, etc. or you can make more for a larger project like the table runner and wall hangings in the Hexie Daisy™ pattern. You may choose to make your block from $\frac{3}{4}$ " or 1" hexagons.
