Large paper clips

Glue pen (Avery, Sew Line, Fons & Porter will all work), with refills

If you have any questions please call me. Cindy Myers 909-645-1351

Pre-Class Instructions

The pre-class instructions are very important and will get you ready to have a great day in class. This will enable us to have more time for teaching and sewing and less time working on the small stuff.

Once you have your pattern please follow the instructions below to get ready for the class.

1. Please print out any corrections made to the pattern posted on Quiltworx.com.

You will find these on the corrections tab.

2. Please read through the written instructions, especially pages 1-2. This will help you understand the terminology that I will be using during the class.
3. Place your swatches on the swatch list on page 3 and 4, this will help you to keep track of your fabrics when it comes time to start cutting.
4. If you have access to the internet, go to YouTube.com and do a search for Judy Niemeyer and you will see many videos for doing her patterns, find the one that shows cutting out the foundation papers and the one for cutting out your fabrics using the template layout sheets. These will be very helpful to you in seeing how the process works.
5. Cut out your foundation papers. When you are cutting out the layout templates, do not cut them apart, just cut around the large boxes they are in. You will be using these to cut your fabrics later in class.
6. Follow the directions on pages 1 and 2 for sorting and placing your cut foundation papers and template layout sheets in the correct amounts in their respective bags.

Fabric Cutting Instructions:

Follow the instructions on page 4, Sub-Cutting Fabrics, placing your cut fabrics in their respective bags.

Start cutting your fabrics with the template layout sheets as directed in the instructions through page 6.

Please get as much of your preclass work finished as possible since this will give us more time in class for the piecing process.

Now see that wasn't too bad, now you can sit back, relax and know you are ready for a great time in class.

If you have any questions call Cindy Myers at H-909-628-4866 or C-909-645-1351.
