Hello Workshop Participants!

We are going to be making Cityscape Pants. What you will need:

- A) One well-fitting pair of denim pants, any color.** If the pants are too short or long, no problem! We will remedy length issues as part of the process.
- B) 5+ different and complimentary types of cotton quilting weight fabric.** Colors that are similar to the pants color will provide the most polished look. Any colors are okay as long as they look good together as a group. We will need small pieces, at most 10" by 15"
- C) Iron on Interfacing.**
- D) Basic workshop sewing kit:**
 - Machine
 - Thread and needles
 - Scissors (sharp)
 - Seam ripper
 - Temporary marker
 - Ruler
 - Pins
 - Iron (we will need a couple of ironing boards in the room)

I look forward to meeting you!
