Lollipop Garden Quilt: Flower Block

Easy, Speedy Machine Reverse Appliqué with Appliqué

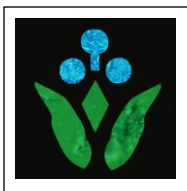

Teacher: Margaret Brewster Willingham, *Eye of the Beholder Quilt Design*

Beginner: 3 hours

Join the fun! Be empowered!

Reverse appliqué mixed with appliqué gives a unique, dimensional look to your quilt! Like in a real garden, the receding greenery is created in the background fabric peeking out of the black top fabric. And the blossom-dots pop because they are appliquéd. When you do it by machine, it takes no time at all.

Learn the quick and easy steps in Eye of the Beholder's trace, snip, iron and stitch process to machine reverse appliqué, and get pointers on how to satin stitch like a pro. See the dimensional magic of the *Lollipop Flower block* (7" x 7") from *Lollipop Garden Quilt* (40" x 40") revealed as you stitch. We designed our quilt in Black & Bright batiks for Island Batik. Will you make it in black & brights as we did, or re- imagine it in your colors. Learn with others and experience the fun and beauty of reverse appliqué by machine.
