## Supply List: Bring to Class

Bring fabric prepared; you will not have time in class

10-inches by 14-inches blending tone on tone color of quilters' weight cotton fabric. No batiks. Avoid dark value fabric and large or small repetitive pattern fabric. They would call attention away from the beading.

Cut the "batting layer" (light colored flannel or thin cotton batting) 2-inches longer and wider than the fabric. Center the fabric on the "batting" for basting so that you have 1 extra inch of "batting" on all sides. Hand baste the two layers together, without a quilt backing. Baste in an approximate 3-inch grid.

A few straight pins, shortest you have

Small sharp scissors or embroidery scissors

Paper scissors

6, 7, or 8-inch embroidery hoop

Glasses if needed for handwork

Battery operated personal lamp is helpful/as Ott

Or personal lamp with extension cord and power strip to share
