

What to bring Halloween and 4th of July quilt

Sewing machine in working order threaded with a neutral grey thread. Wind two bobbins. Straight pins (flat flower-head type), fabric and paper scissors, rotary cutter, ruler (the 6" x 12" is a good size) and cutting mat. Fine-point Sharpie pen, small assortment colored pencils, mechanical pencil. Seam ripper.

Fabrics: Note that these are for a full-size quilt but border fabric is not included. Lots of black and white prints totaling 2 yds. For a vintage look, include some plaids and dots. Various blue and white prints (up to 1 ½ yds). Red that reads as a solid (1 1/2 yd) and cheddar (orange-gold) that reads as a solid (1 ½ yd).

You are welcome to bring additional fabrics and make this project in a scrappy fashion or stay with the same five fabrics throughout the process.
