Highlighter markers, at least 2 colors

Scotch Tape Glue stick

Flower pins

7 - Large ziplock bags, number them #1 - #7

Large paper clips

Glue pen (Avery, Sew Line, Fons & Porter will all work), with refills

Small Travel Iron and pressing pad (optional)

If you have any questions please call me. Cindy Myers: H- 909-628-4866
C- 909-645-1351

Please see the next page for pre-class instructions.

Pre-Class Instructions

The pre-class instructions are very important and will get you ready to have a great day in class. This will enable us to have more time for teaching and sewing and less time working on the small stuff.

1. Please print out any corrections made to the pattern posted on Quiltworx.com. You will find these on the corrections tab.
2. Please read through the written instructions, especially pages 1-2. This will help you understand the terminology that I will be using during the class.
3. Place your swatches on the swatch area in the cutting directions on pages 3-6, this will help you to keep track of your fabrics when it comes time to start cutting.
4. If you have access to the internet, go to YouTube.com and do a search for Judy Niemeyer cutting foundation papers and you will find one with Judy cutting the foundation papers. One thing that Judy forgets to mention is that when you are stacking your papers make sure that they are all the same papers.
5. Cut out your foundation papers.
6. Follow the directions on page 2 & 3 for sorting and placing your cut foundation papers and template layout sheets in the correct amounts in their respective bags.
7. Start cutting your fabrics according to the pattern directions starting on page 3, continuing on to page 6.

Now see that wasn't too bad, now you can sit back, relax and know you are ready for a great time in class.
