

# CrossWaves

## Description:

This fusible applique class is so much fun! This is a raw edge applique technique. Learn how to audition various stitches on your machine, how to accurately rotary cut and applique around curves, and how to turn corners to create the finish you want. Watch the secondary pattern emerge as you weave these shapes with each other.

## Student Supply List:

- Layer cake or 16 Fat Quarters (Light to Medium tones)
- 2 yards background fabric (Dark tones) OR you can do med to dark tones on light background

18mm or 28mm Rotary Cutter\*

12"(ish) cutting mat

Choice of matching or contrasting threads

Cheery Disposition

\*Will be available for purchase in class

## Kit Contents: \$35

- Pattern
- Wavy Square Template
