Hearts and Feathers Back to Back: Rulerwork Quilting with Westalee Design Templates

Student Supply List

- 1) Sew Steady Free Motion Glider or equivalent. (This item is essential for success when working with templates. It is not optional for this class.)
- 2) Quilt markers that show up well on the fabric are encouraged. (Prefer Air Erase Purple or Mechanical Chalk pencil because they work well with the crosshair square tool).
- 3) 9.5" Square rotary ruler and 3"x18" rotary ruler (6.5" Square is optional but useful)
- 4) Small scissors or snips

Please Note: The Westalee Design Back to Back template 1.5"-1 is also required for this class. It is included in the kit fee for this class. The Instructor will follow up after registration to determine which template you need to fit your home quilting machine, either high shank or low shank. You will receive it with your kit on day of class. This item is non-refundable once ordered.
