

Please bring to class: (morning) Thimble, some straight pins, small sharp scissors, a small (12" or less) ruler, 1 spool good quality hand sewing thread in #50 weight (neutral color like grey), some good quality hand stitching needles such as Milliners or Straw needles-size of your choice-but do not bring tiny Betweens (like 11s or 12s). A squishy bed pillow (your own from home or a 'loaner' from the hotel). A pair of white cuffed socks you wouldn't mind cutting up. An Ott light (or other portable sewing light) if you need extra light for hand-sewing plus an extension cord. (afternoon) The same as the Morning class but add to it: 18" ruler, pencil and fine-tip black Sharpie, and seam ripper.
